Payments

Auto payments are charged on the day invoices are emailed. We also accept Zelle, Venmo, cash, or check.

A late payment fee will be automatically added to tuition payments not received by the due date.

For any accounts that are not paid by the end of the month, lessons will be canceled for the following month until payment is received. All invoices must be paid in full prior to any recital.

Cancellations & Withdrawals

We have a no make-up lesson policy for parent/student initiated cancellations**. Refunds are not given for missed lessons.

** Summer lessons are more flexible and we allow a 48 hour cancellation policy.

Please make sure that the day and time you are setting for lessons at the beginning of the school year is set in your calendar. If a lesson is missed, you have the option of attending one of our monthly **Saturday Unique Bonus (SUB)** classes.

Lessons missed by the teacher will be made up at their earliest convenience and must be made up before the end of the semester.

Updated 08/01/2023

We follow RISD in regards to severe weather closings. Lessons on these inclement weather days will be held virtually if possible. You will also have the option of attending one of our monthly **SUB** classes.

Regular attendance is expected and necessary for progress. Teachers reserve the right to withhold students from special events who have missed too many lessons or are not adequately prepared. Additionally, the teacher has a right to drop a student for too many missed lessons.

Commitment to lessons should be very important to parents, students, and teacher. If for any reason you can not fulfill your commitment, you will be financially responsible for the remainder of the semester.

New students:
