2026-27 PRIVATE LESSON SCHEDULING:

To make scheduling as smooth and fair as possible, we offer priority scheduling based on summer participation. As a reminder, families who completed our summer commitment receive first access to the schedule before it opens to everyone else.

Here's what to expect:

July 20 — Priority Scheduling Opens

- First Priority
    - Families who completed the 8-lesson Summer Commitment
    - Families with multiple students (scheduled first whenever possible)

August 3: Priority Window Closes

- Any remaining lesson openings will be released to the next priority group.

August 10 — Second Priority

- Students who participated in summer but completed fewer than 8 lessons may begin selecting available lesson times.

August 24 — Open Registration

- Scheduling opens to:
    - Returning students who did not participate in summer
    - New students
    - The general public

🎵 **September 8: Fall Semester Begins!**
